

Sebastián Fernández Solari

Montevideo, Uruguay · [linkedin.com/in/sebastianfernandezti](https://www.linkedin.com/in/sebastianfernandezti) · +598 91 973 381 · fernandezsolarisebastian@gmail.com

Information Technology Analyst student at Universidad ORT with solid experience in personal and academic projects integrating technologies such as JavaScript, TypeScript, React, Next.js, Tailwind CSS, and relational databases. Passionate about software development and creating innovative solutions, I specialize in optimizing interfaces and enhancing user experience by applying best practices and modern methodologies. Continuously learning, I aim to build a strong full-stack profile to deliver value, innovation, and efficiency to the team that trusts me.
